

ABERDEEN LEATHER

**HANDCRAFTED LEATHER GOODS
SINCE 1998**

FALL 2013

Aberdeen Leather is proud to offer it's 2013 Collection.

Each Aberdeen product is designed and crafted for today's discerning individual. There is simply no compromise, as our products are crafted from only the finest selection of full grain leathers offered by European and North American tanneries.

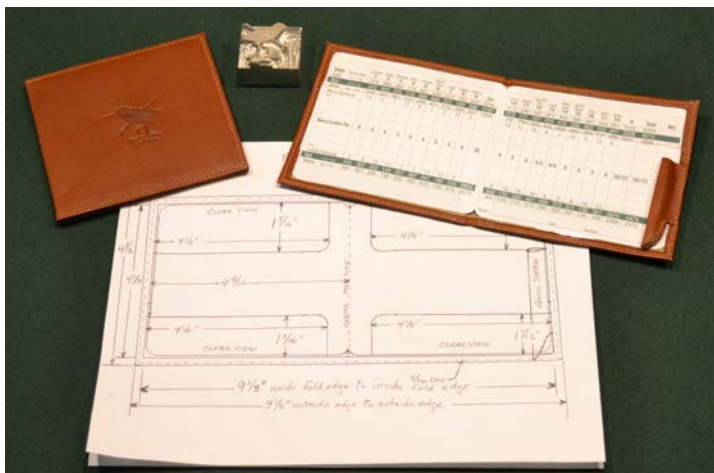

We are mindful that by offering these exceptional high quality leathers, old world craftsmanship with artful attention to detail is essential. Not only will you find brass hardware and fittings, but finishing details such as leather piping to reinforce the seams and give better definition of design. All of which have not been compromised for the sake of cost savings.

We believe that quality and attention to detail is not just on the surface, but throughout each product. Optimum protection for your clothing and all your travel essentials is met with soft durable nylon interiors that offer numerous accessory pockets.

We hope you'll find a bag or other item in our 2013 product offering, as we look forward to satisfying your needs for better quality leather goods that will serve your lifestyle.

Thank you.

Aberdeen Leather
